ILCE BLAZES A NEW TRAIL.

Novel, Interesting, The First of its Kind, Illustrative Workshop " Lean Culture in Construction Projects " - The Right Way.

Held on 24th September 2011 at SP College, Mumbai.

70 Participants were actively interactive throughout the sessions.

Lessons accentuated by games and exercises

Participants rating :

1. Relevance to the construction industry - 100 %
2. Rating of the Workshop - 95% - Excellent to Good.
3. Workshop - Take Home :

Lean Culture -

- Is a must for Lean Construction Application
- Is an ongoing exercise
- Should either precede or at best go along with lean construction.
- Becomes highly effective if company adopts it completely and in full faith.
- Emphasizes collaboration
- Stresses on total trust between all, high and small, lateral, etc.
- Shows building up of a high percentage of "engaged" people (who are self motivated, loyal and brand ambassadors)
- Highlights strong communication

- Calls strong attention to continuous talent building (converting ordinary people into champions)

The Workshop was conducted by iTalent, Nagpur (a professional group)

iTalent had the advantage of first hand knowledge of Construction as well as HR Skills (Training sessions)

ILCE hopes to bring this program to other centers also.
