Gist of the Chairman's speech -

ILCE in its three years of existence has fully arrived.

The Construction industry is now aware of Lean construction and ILCE.

The financial position of ILCE for the year 2010-2011 has been very satisfactory.

The immediate focus of ILCE in the coming year is to increase the Lean Construction community

By inducting more and more interactive members to take the message of Lean Construction across the industry.
