**ILCE workshop & CoNFERENCE oN 5<sup>th</sup>,6<sup>th</sup> & 7<sup>th</sup>  
February 2015**

***Excerpts from some Kudos***

**Mr. Tony Jacob, Management Consultant**

“First Indian Lean Construction Conference 2015 is a great experience for individuals and good start for Indian Construction Industry. It’s the time for our construction to RETHINK the way we manage project projects and deliver value to customers.

Looking forward to participate such conferences every year and actively contribute to ILCE’s efforts in spreading Lean Construction to Indian construction professionals.”

**Mr.Madhusudhan,CEO,Project Management World wide**

“The conference did generate interest in me because it was mentioned that Lean is essentially common sense. This kind of takes the mystery out of the whole thing  
On the whole the conference was an "eye opener" in many ways and was a very good learning experience”

**R.Udhayakumar.,M.E,MBA,MIE,MSW,(PhD).,(DGM, URC Construction)**

“On behalf of M/s URC Construction I am delighted to convey our heartfelt thanks for organizing such a wonderful occasion . May I request you to organize such programs in coming days periodically for the welfare of all industrial personnel’s on LEAN culture.”

**Prof. Glenn Ballard, University of California, (Key Note Speaker ILCE Conference)**

“I found the ILCE conference to be very good. Solid presentations, many companies and individuals genuinely embracing the lean philosophy, and an obvious thirst for more knowledge and even better results. I came away from the conference with confidence that the future of Lean Construction in India is bright.”

**Mr. Alan Mossman, Lean Construction Consultant UK (Key Note Speaker in ILCE Conference)**

“The conference was a success

ILCE has the potential to make a significant contribution to the development of the industry in India because it has strong leadership from clients, constructors and academics.”

## **ILCE DEDICATION**

**ILCE has now to build on the kudos and good wishes on the success of ILCE Conference held on 5<sup>th</sup>, 6<sup>th</sup> & 7<sup>th</sup> February at Mumbai.**

**ILCE main Objective is to spread the Knowledge of Lean Construction and its Practices across the Indian Construction Industry, .**

**ILCE invites all its readers, participants in ILCE Conference to join in this mission of making Lean Construction an everyday thing in the Indian Construction Industry.**

**Any suggestions towards this would be deeply appreciated.**

**Lean Construction is synonymous with better and better performance in the construction Industry.**

## **FOR YOUR NOTICE**
